

CERTIFICATE OF PRACTICAL COMPLETION OF WORKS AUTHORISED BY FACULTY

In the Consistory Court of the Diocese of Lincoln

To the Registrar
Parish of Owston Ferry
Church of St Martin

A FACULTY dated 21st August 2017 authorised the following works subject to the following conditions:

The carrying carry out of percolation tests and the installation of a new trench arch system in the churchyard at the parish church, all in accordance with the Specification and drawing number 2768 dated February 2017 from GMS Architecture of Saltfleetby, Statement of Needs, Statement 2 document and Waste Water from Churches document by J P MacKechnie-Jarvis dated March 2008; displayed at the parish church and lodged in the Diocesan Registry.

CONDITIONS

1. If during the works any disarticulated human remains are uncovered and it is necessary to remove them, they may be removed and reinterred as close to their original position as possible still in consecrated land, all to be done under the supervision of the incumbent or a priest appointed by them. If articulated human remains are uncovered all works are to stop and further directions obtained from the Chancellor
2. An archaeological watching brief is required in respect of excavations for drainage works
3. The parish’s inspecting architect must be satisfied that an air admittance valve is necessary with the trench arch installation, if this has not already been done.
