Dear Anthony

I would use the site visit report. As the Bland window was organised and installed (with the exception of the mortar repairs to the stone tracery) outwith the contract there will not be a specific practical completion certificate for it.

Best wishes

Dearbhail Keating

Hello Dearbhail,
I've now 'signed off' Faculty **2016-005609** for the AB Heritage re-roofing works and attached the Practical Completion certificate. (I wanted the Hood Mould repairs completed before finally signing off).

With regard to the Bland Window have you issued a Practical Completion Certificate?
Or shall I use the Site Visit Report 24th July 2018 - item 3? (The Bland Window was repaired under a separate faculty = 2016-006580).

Keep smiling!

Kind regards Anthony
