Form 8

(Rule 7.4)

Certificate of practical completion of works authorised by faculty

In the Consistory Court of the Diocese of Winchester

To the Registrar

Parish of St. Thomas, Fair Oak

Church of FairOak: St Thomas

A faculty dated 02/07/2018 authorised the following works subject to the following conditions:

To introduce a disabled access ramp and install a level threshold on the existing emergency double doors from the church extension building. This will follow the route of the existing paving slabs but raise them to form a level 1.2metre square of slabs and then a 1.05 metre ramp to existing tarmac path. The slabs will be laid on Type 1 material and a sand / cement bed with the sides being filled with compacted topsoil to form a gentle slope and turfed. The existing threshold to the double doors will be replaced with a Sealmaster Cyclone TDS/CCG threshold and the bottom of the existing doors will have an additional hardwood strip added. This will ensure a level means of access to the outside slabs is achieved.

The petitioners should ensure the ramp complies with building regulations.
