

Mr Roger Knight
Rector of Cuxton & Halling
The Rectory
Kent
Rochester
ME2 1 AF

Our Ref: RD - C/041688

Dear Mr Knight,

RE: Cuxton Chuch Tower

Certificate of Installation – Record of Examination
Certificate No: C/041688

We write with regard to the above.

Please find enclosed our certificate for the installation of the equipment listed.

IMPORTANT:-

To comply with the safety requirements as set out in the Safesite Operation Manual, the product should be examined and re-tested at intervals no greater than 12 months. The next re-test date is shown on the Certificate. Should you wish to make an appointment to carry out these works please contact Laura Moore at our Crawley Head Office, preferably by e-mail, at: recert@safesite.co.uk or on: 01293 529977.

If you have any queries with regard to the above, please do not hesitate to contact us by return.

Yours sincerely

Richard Dyson
Contracts Manager

All Kee Safety Systems installed by Safesite are covered by a full five year warranty from the date of installation.

The Warranty covers any defects in materials or workmanship, including installation, provided that the system has been recertified annually by an Approved Safesite Installer with the exceptions as stated below:

This warranty does not cover fading or discolouration caused by exposure to sunlight or chemicals, or any problems as a result of abuse, misuse or an act of God (such as wind or floods). Consequential and incidental damages are also not recoverable under the warranty.
