A petition presented by you has been submitted to the Registry of this Court together with designs, plans, photographs or other documents, requesting a faculty authorising the works or other proposals specified in the petition.

A public notice was duly displayed giving an opportunity to all persons interested to object and give reasons why a faculty should not be granted.

The proceedings were unopposed and did not give rise to a question of law or of doctrine, ritual or ceremonial or relate to proposals that affect the legal rights of any person or body.

This Court now grants a faculty authorising you to carry out the works or other proposals described in the Schedule in accordance with the designs, plans or other documents accompanying the petition and subject to any conditions set out in the Schedule.

The works must be completed within 12 months from the date below or such further period as this Court may allow and the certificate of practical completion is to be sent to the Registry within the period allowed.

A copy of this faculty is to be supplied by you to the architect or surveyor and contractors to be employed in respect of the authorised work before any work is commenced.

This faculty is duly authenticated by the seal of this Court.
