**Subject:** St Luke's - Tower Repairs

Dear Max,

I have sent an electronic copy of our feasibility report for the tower by 'we transfer' for your information and use. This is a large file and 'we transfer' will send you an invitation to download the document.

I have attached above the Invoice from Skyline for their carrying out of the survey. I have attached a copy of their survey report to this e-mail.

I confirm that this is in keeping with their original quotation for this work (attached above). I would be grateful if you would arrange payment for their fee.

Once you have had a chance to digest the contents of the report we can look at how best to proceed. I will await your further instruction.

Kindest regards

**Andrew Ruaux, Architect, Associate**
