Dear David

I did not administer the contract on your behalf so there is no certificate to issue!

However, I can confirm that the works have been completed by Anthony J Smith (Gloucester) Ltd who have achieved their usual high standard of work.

If you need me to write something else along these lines then just let me know.

Regards

Robert

Good morning Robert

I would be grateful if you could send me a Practical Completion Certificate for the Phase 1 new lighting scheme for the Abbey.

Many thanks

Best wishes
