Dear Archdeacon Jeanette

You will know that our church has carried out substantial repairs over the last two years. Amongst other things the organ needed to be moved in order to complete this work. However the PCC took the opportunity to move it from its previous position in the north transept to the back of the church.

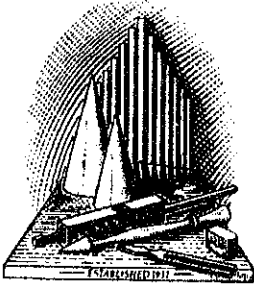

A faculty was obtained ref 2020-049519

As the work was not completed under an official building contract our architect has advised us to let you have confirmation by W & A Boggis that the work has been done to their satisfaction.

With thanks ,

Bob Feast

All Saints' Church Stuston, Suffolk

Confirmation

I am pleased to confirm that we have completed work on the organ in All Saint's Church Stuston, Suffolk:

the dismantling and temporary storage of the organ in All Saints' Church, Stuston, Suffolk, for the duration of work in the Church

subsequently, the assembly of the organ, including two minor items of repair, fitting new felt to the pedals and repairing a damaged wooden pipe.

The organ was checked and tuned.
