COMPLETION OF WORKS
The Building Regulations 2010 (as amended)

Dear Sir

Re: Steel beams in roof space to support AV equipment
Site: Holy Trinity Church Portland Street Cheltenham

Following the successful final inspection, I have pleasure in forwarding the Completion Certificate relating to the above works.

Your Completion Certificate is an important document and may be required as proof of satisfactory completion if the property is sold and therefore should be retained in your safe keeping or if possible with the deeds of the property.

Should you require any further assistance or have any suggestions on how our service to you could have been improved please do not hesitate to contact us on the details shown above.

Certificate of Completion of Work

The Building Act 1984
The Building Regulations 2010 (As Amended)

Building Regulation Application Number: C21/00262/OTHI

1 Description of work:

Steel beams in roof space to support AV equipment

2 Address or location of work:

Holy Trinity Church Portland Street Cheltenham

3 Deposit of particulars:

Full plans were deposited under the Building Regulations Section 14 of the Building Act 1984 on 4th March 2021

4 Date of Completion:

28th September 2021

5 Compliance with the Building Regulations:

This certificate which is given in accordance with Regulation 17, shall be considered as evidence (but not conclusive evidence) that, insofar as the authority has been able to ascertain, the works described in the certificate are in compliance with the requirements of the Building Regulations.

6 Limitations of Certificate:

Note this certificate relates only to the work described above. This certificate does not relate to any work carried out to which the regulations did not apply on this occasion, or work carried out and independently certified under a Competent Persons Scheme.

This Certificate has been authorised by

Building Control Manager

Date: 28th September 2021
