Dear Mrs Womack,

## LEOMINSTER PRIORY – DAMAGED ENTRANCE GATES

I visited Leominster Priory last week and checked the completed repairs to the iron entrance gate railings that were damaged by vehicle impact in 2019.

The work appears to have all been carried out as specified and is clearly of a good quality and finish. I confirm that it is in order to make payment to the blacksmith who carried out the repairs and reinstalled the railing.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'T. Ratcliffe', is centered on a light grey rectangular background.
