Date: 14 July 2022

This faculty started out as a List B - Case Reference C079/16/0887

The addition of the castors proved a success and so was upgraded to a faculty.

The Contractor was a local artisan Andrew Johnson late of Forge Cottage, Burghclere, RG20 9HJ.

It is because Andrew Johnson died earlier this year, 2022, I have not entered his name as a contractor on the OFS database.
