Dear Sarah,

RE: ST ANDREW'S CHURCH, HALSTEAD, ESSEX – SOUTH BOUNDARY WALL

I was pleased to visit the above on 21st December 2022, to inspect the work carried out by John W. Younger Ltd builders.

I am pleased to confirm the works have been carried out as indicated in my previous letter dated 17th January 2022, and to a high standard.

Please be aware that other areas of failure will occur with time, but particularly where Ivy is embedded in the wall but now dead, as the root system dies. A quick visual survey on an annual basis by yourselves would be appropriate.

Please do not hesitate to call if you have any queries.

Yours sincerely
For THE MORTON PARTNERSHIP LTD

EDWARD MORTON
Conservation Accredited Engineer
