Dear Ms Cook

Faculty Application 2018 – 020139
Application for Bere Ferrers: St Andrew.

I refer to the above Faculty reference and am now able to confirm completion of the works as drawn, scheduled and approved. There is an exception however, the alterations proposed for the Lady Chapel have not been implemented. This is because we were unable to find a competent carpenter prepared to do the work. So the PCC agreed this will remain as existing.

You requested I should utilise the procedure on the Online Faculty Portal (Form 8) but I have been unable to manage to access this for some reason, hence this written confirmation of completion in order to keep the records straight.

So in summary, including photos of the completed works.....

Faculty Application 2018-020139
St Andrew,s Church, Bere Ferrers, PL20 7JL

Accessible WC and Catering Cupboard.

Contractor: Assured Roofing and Construction of Tavistock.

Works Completed: 31st August 2022.

I trust the above enables you to close the file on the Faculty Application. If you require any further supporting information, please don't hesitate to let me know.

Yours sincerely

Adrian G Mitchell, Church Warden
St Andrew's Church, Bere Ferrers, Devon.

cc. Rev Nick Law.
