

South Aisle & Font - As Existing - Scale 1:50

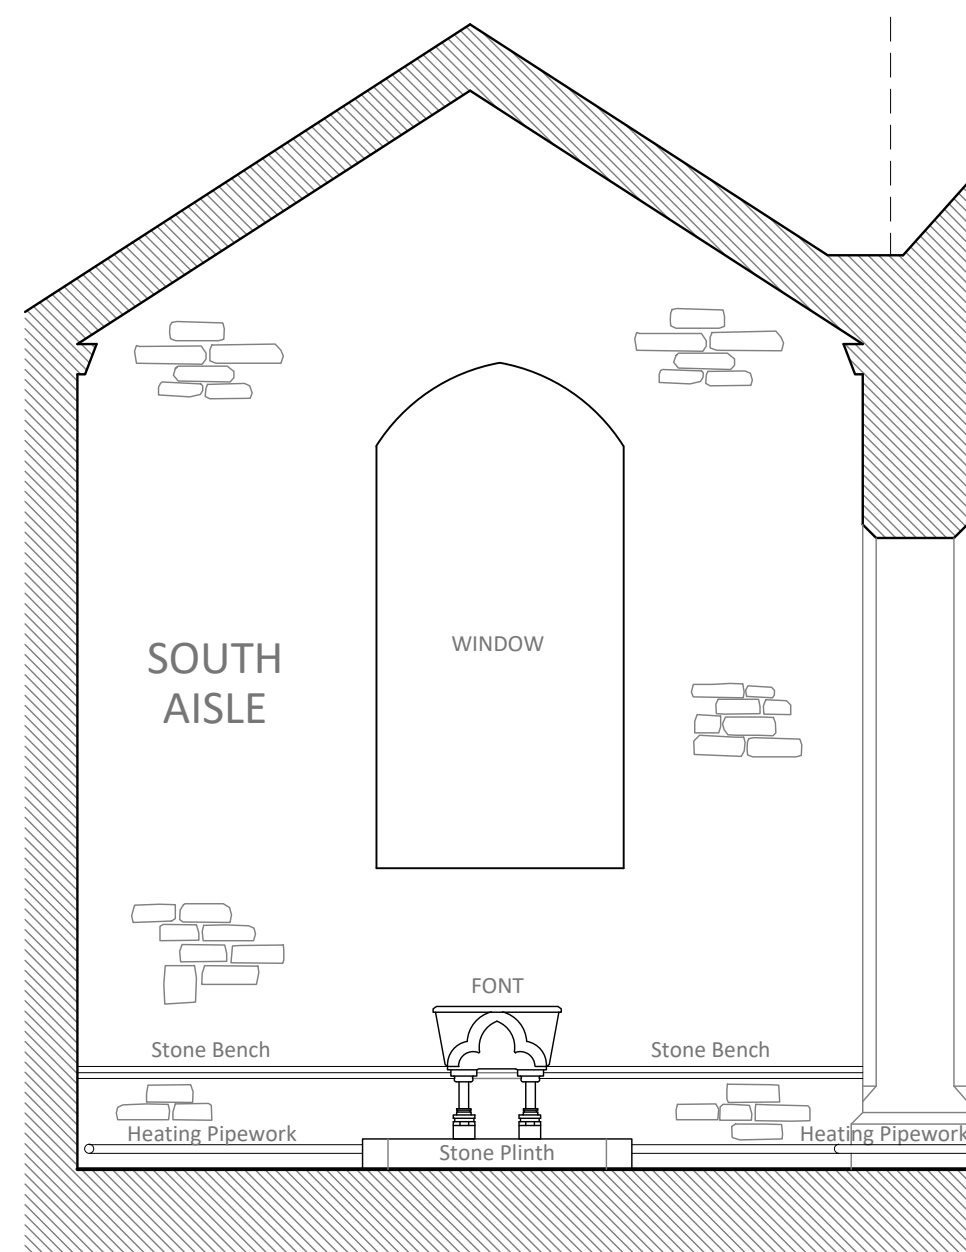

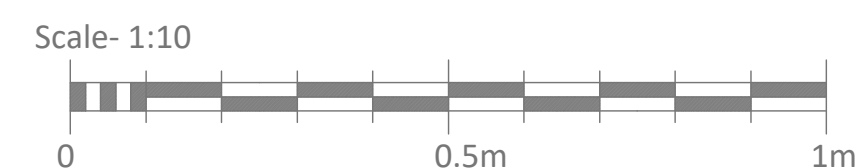

South Aisle & Font - As Proposed - Scale 1:50

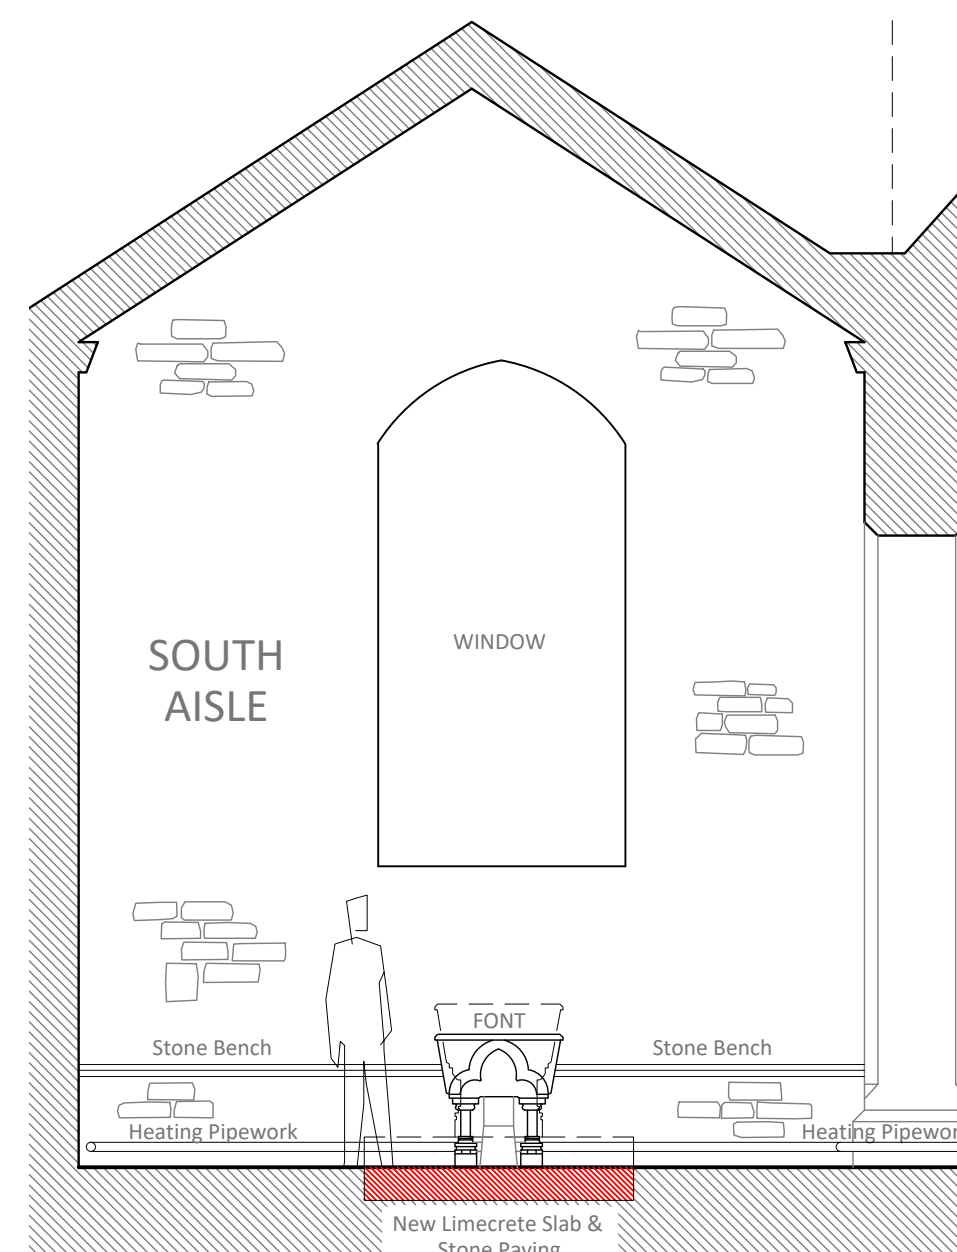

Existing font to be carefully lifted by specialist and stone base/plinth below removed (including carpet coverings). Existing sub-base to be excavated/ removed and new limecrete slab to be laid (on Geotextile membrane) with new Blue Lias stone slabs (honed finish to match existing adjacent slabs) and Blue Lias stone boarder (polished finish). All new stone to be bed and pointed in lime mortar to match existing. Font to be carefully lowered and connected to existing soakaway. Existing stone slabs to be possibly re-used (subject to their condition).
