S1.2: Harold Allister, Florence Allister

S1.5: Elizabeth Dodd (Andrew and Amy Dodd's sidestones are outside the extension)

S2.6: Howorth Stansfield, Ann Stansfield

S2.9: Herbert Cunliffe, Eva Uttley (the other sidestones from this grave are either under or outside the extension)

S3.2: Elizabeth Dixon Smith

S4.4: Jane Stead

S4.9: R.G. - N.O. (plot marker)

S6.3: E.S. (plot marker)

S6.4: W.H.G. (plot marker)

S6.7: W.S. (plot marker)

S6.9: Charles Corbett, William Corbett, Annie Corbett, Edwin Corbett, Mary Howells

S8.1: J.S. (plot marker)

S8.8: W.S. (plot marker)

At least one plot marker from inside the school extension's perimeter has been found outside the area beneath the nursery, so it is possible that others have been re-located to places in the wider Churchyard.

However, given that most of the missing "named" graves are ones either known or suspected to be side or kerbstones, it is possible that they have been mislaid or destroyed.
