

72/23 Projects for using the legacy (paper attached)

The cost of repairing the toilet room skylight (£2933) was added to the list of expenditure from the legacy to date, leaving £43,400 available for future projects.

It was unanimously agreed that the installation of fully glazed inner doors at the main West entrance was the priority.

Peter Connew to ask the architect to provide drawings with which to approach contractors for quotes and to prepare a faculty application to the diocese.'
