Hi Dave and Robert,

Please find attached two photos. One is the remains of the cross itself in the green box, stored safely behind the organ in Holy Trinity. The second includes what appears to be the base below it (from my examination of the church building). I don't know if we told the diocese that this had come down to? I leave it to you which photo to send them!

Love in Christ,
Daf

Hi Both,
Any chance of closing out this long-running problem soon please?
Dave
