

The image contains two architectural drawings. The left drawing is a facade elevation of a building. It features a central entrance with a double door and a large window above it. The window has a decorative transom with a series of vertical bars. Above the entrance is a balcony with a decorative railing. The right drawing is a floor plan of a room. It shows a large rectangular area with a central rectangular feature, possibly a fireplace or a large window. There are several smaller rectangular areas, some of which are labeled with text in red boxes: 'dish washer', 'kitchen island', 'oven', and 'sink'. The drawing also shows a door on the right side and a window on the left side.

[illegible]

Architectural section drawing of a building interior. The drawing shows a balcony area with a balustrade and a room below. The balustrade is labeled "balustrade repositioned in original position and raised to 1100mm with new base". The room below contains a desk with a computer monitor and keyboard, and a chair. Dimensions are indicated for the desk area: 1000mm for the desk length and 600mm for the desk width. The drawing is oriented vertically, with the balcony at the top and the room below.

Technical drawing of a toilet stall. The drawing shows a side view of the stall with a toilet, a door, and a wall. Dimensions are indicated in millimeters (mm) and centimeters (cm). The door is 1800 mm high and 1200 mm wide. The toilet is 1200 mm high and 1200 mm wide. The wall is 1800 mm high and 1200 mm wide. The drawing also shows the door handle, lock, and hinge.
