

Re: Church of Saint Mary Magdalene, Stockland

Interim Faculty pursuant to Part 15 of the Faculty Jurisdiction Rules 2015

Interim faculty to issue in respect to the works of repair and reordering set out in the Schedule to the draft Petition dated March 27th 2025 together with all ancillary investigative works, the exposure of the bell frame and its foundations, and the temporary removal of the bells.

Conditions:-

1. The works shall be overseen by the Church Architect.
2. The Church Architect after consultation with the relevant DAC assessors shall prepare a programme of works whereby the elements of the project may be organized and co-ordinated.
3. Each element of the project shall be commenced in accordance with the programme and after:-
 - (a) the necessary funding for that element has been secured;
 - (b) the DAC has given its final advice in relation to that element;
 - (c) any appropriate consultations with Historic England, the amenity societies and the local authority have taken place.
4. There shall be archaeological oversight of all excavations.
5. In the event of any human remains being disturbed in the course of the works the Registrar's directions shall be sought forthwith.
6. Usual electrical condition.
7. Liberty to apply generally and for the purpose of varying or enlarging this interim faculty.
