Dear Mr Edwards
Re: All Saints Church (Ref 03025)

I have pleasure in quoting our price as follows:

1: To carry out alterations to top of Altar table to fit Alter stone supplied by you.
The stone will be level with the top surface of the table and held in place in a cradle from underneath the tabletop.
The stone will be removable as required.
Price: £364.00 + vat.

2: To fit a set of 6 swivel castors to the base of the Altar table.
The castors will be hidden behind the plinth of the table base and will raise the table by approximately 15-20mm to allow clearance for the table to be moved.
Price: £267.00 + vat.

3: To supply and fit 4 x adjustable feet to the four corners of the base of the Altar table.
When lowered they will keep the table braked in one place, when raised the table can be moved on its freewheeling castors as in item 2.
Price: £165.00 + vat.

The above prices are based on today's material and labour costs, should there be any change in these then our prices will be adjusted accordingly.

Our terms of payment are 20% with order and balance of payment due on delivery or completion of works.
