

Noticeboards for Christ Church Churchyard:

Below are examples of Noticeboards considered, from various companies.

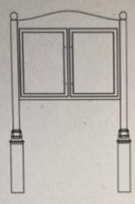

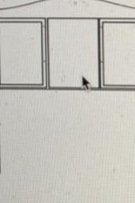

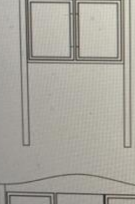

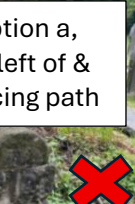

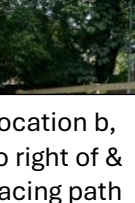

The preference is for a Three Panel Board, with at least two A1 panels under glass. The top two options are identified below, with explanatory text.

This will enable the inclusion of a plan of the Churchyard under the glass, with the QR code for the interactive section about the graves and headstones beneath the Nursery.

Church Noticeboard Company:

Two glass door areas plus text panel in middle

	Price - £2,230.00 + vat (614 size 1400mm x 1200mm) code: prest001	2 door A1 (914mm x 1200mm) display version 4mm thick glazing Fully lockable Magnetic insert panel Ornate posts Shaped aluminium header

Preferred design is a 2 x A1 door noticeboard, with fixed text about use of the Churchyard, roles and responsibilities of organisations and website or Facebook details for FOCC, the PCC and Council's Bereavement Services, so that people can access up to date information, rather than phone numbers which can go out of date.

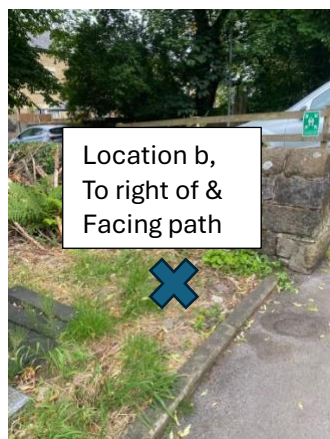

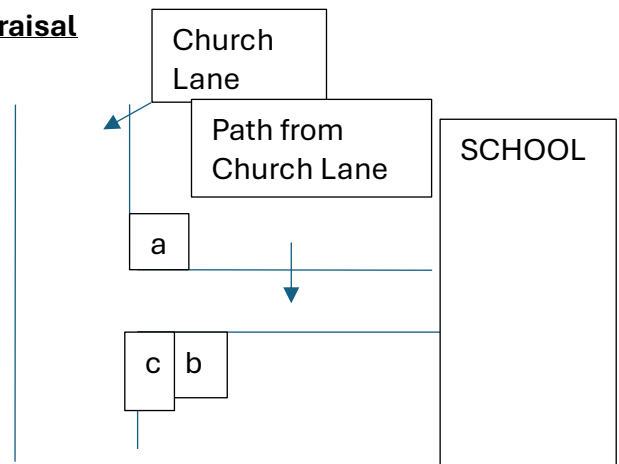

Plus the QR code and links for the interactive transcript by the Graveyard Management company. A plan of the churchyard and occasional changeable notices can be rotated by community groups, PCC etc

Prices and other designs

Possible Noticeboard Locations: Options appraisal

To the left of path from Church Lane to School, **location a**

Location b

Location c

Entrance to path; **location a** to left of wall

Entrance to path;
locations b
& c inside to
right of wall

Entrance to Churchyard right;
Entrance to Christ Church
building, Lych gate to left

Church Lane, from Burnley
Road to Christ Church

Vicarage Gardens to left of
Church Lane
