

PCC resolution: agreed via email: 19th August 2025

Please could I ask you to let me know if you approve of the amended resolution below. Items a-c are what has already been approved in these terms and item d was approved in principle but without the detail that is now available.

Having seen the updated papers for the Faculty Petition concerning Christ Church Churchyard and in the light of the advice that moving the headstones will not be feasible, this PCC now seeks a faculty in the following terms:

- a. ***Authorisation of the Woodlands extension over the Churchyard land***
- b. ***A lease from the PCC to the School for the land occupied by the Woodlands, at a ground rent of £100 per year***
- c. ***Authorisation of the fencing around the Woodland extension and the gate between the Churchyard and the School, by the Nursery***
- d. ***Authorisation for a noticeboard of the design shown in the Mock-up diagram in the papers and at the location identified in the Options appraisal document, giving access to the interactive plan of the headstones beneath the Nursery, and other information about the churchyard, including the PCC, FOCC and Calderdale Bereavement Services contact details.***

Proposed by Rev Catherine and Seconded by Jan Murray

Approved via email by a Majority of Trustees
