Dear Francis,

Thank you for your email.

I note that the Certificate of Practical Completion has not been completed on the online system, and this is where you can note that you did not complete all works granted under the Faculty. You can also add any reasoning for why you chose not to complete a certain aspect of the works. Are you able to log in to the system to complete this? Once this has been completed it closes the application and archives the matter.

Kind regards,  
Nathalie

Dear Alison

I hope you are well.

I'm one of the Churchwardens here.

I've been reviewing our Faculty library.

I'm not sure whether you were advised by Brian Lewis (who has now moved away) that section 2 of the Works (new burial spaces) has not been carried out to date.

I am aware we will need to re-apply if we decide to proceed with our plan in this respect.

Many thanks

Francis (Parffrey)
