Dear Joanne

This has just come in. If it's not too late please can you add it to the pack concerning the Drayton mosaic?

Kind regards

Tim

Subject Re: Mosaic - faculty application

Hi Tim,

Yesterday Liam and I put together a trial section of the mosaic full size in my studio to see how the church slates, Blue lias and Ham stone worked together. We are very pleased with the result. Photo attached. If you do not think it too late perhaps you could forward this photo to the DAC who are meeting today. It may help our application.

Best wishes

Nick
