Dear Stephen

Christ Church Swindon: Internal re-ordering works

Further to my visit to meet you and the team at Christ Church on Tuesday 11.07.17, I am delighted to be able to write confirming my views on the completed scheme. (This letter takes the place of a completion certificate, in the absence of a formal building contract overseen by this practice.)

I have not been involved with the execution of the project, apart from my attendance at the pre-contract meeting held on 06.02.17. The church team has directly supervised the project.

The end result is excellent. The work has been carried out to a high standard by the various companies who have been selected to work on the project, and the interior of the church building now provides a fully accessible and flexible space for prayer and worship, and for the use of the wider community, all as desired at the outset, and as approved under the Faculty issued on 17.01.17.

May I congratulate you and the team on such a superb outcome?

Yours sincerely

Antony Feltham~King RIBA
