Dear Ryan

Faculty dated 11/09/17 to lay down 2 listed tombs in St James Churchyard Bulkington.

Further to our phone conversation, I write to confirm that work to lay down the above mentioned tombs took place on **27th SEPTEMBER 2017**.

As I have indicated we are unable to transmit photographs of the various stages of the work, and I am enclosing photographs for your records.

- Appendix 1 Shows one of the tombs before work commenced, and the start of work.
- Appendix 2 Shows the first stage of dismantling and the storing of supports.
- Appendix 3 Shows further work towards completion.
- Appendix 4 Shows the completed work.

The registrar will be informed that practical completion has taken place, and I trust that this now completes the process to your satisfaction.

I should be pleased to receive your confirmation.

Yours sincerely

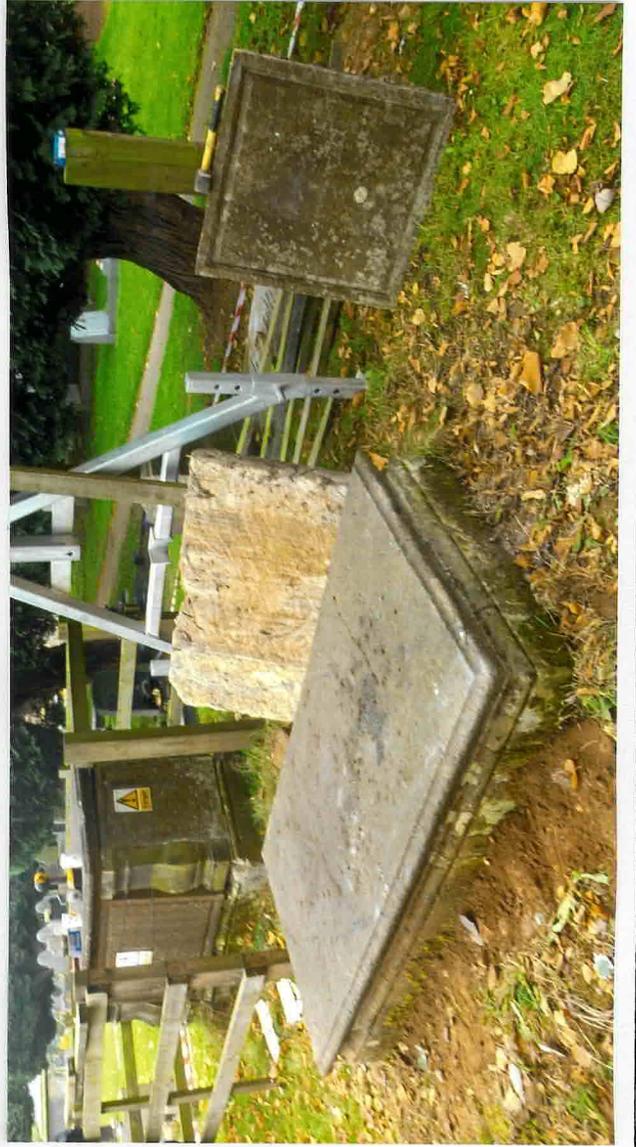

Michael Whitehead (on behalf of St James PCC)
