Dear Ann

**RE: ST JOHN THE BAPTIST CHURCH, BODICOTE,
BANBURY**

Please accept this letter as confirmation that the following works have been inspected and are considered complete:

Repair and conservation of the stonework, and the restoration of the stained glass to the main lights of the East Window of the Chancel at St John the Baptist Church.

Please note that the works have been completed in accordance with Faculty No. 2016-004680.

Please further note that the associated invoices received from P R Alcock and Sons Ltd and Chapel Studio have been checked and passed to the Church for payment, with letters of confirmation dated 10th November 2017 and 8th December 2017.

Please also note that a condition of the Faculty was that makers' marks found in the removed lead comes be recorded and submitted to the DAC. Please note that no names were found to the comes, but a signature of the maker was revealed on the glass. A record picture has been provided on the following page.

We hope that you now have all you need for your records and to complete the Faculty. Please note that we will write separately regarding our fees.

Yours sincerely

Camilla Finlay
